# BRIDGING THE GAP IN CSE AND SRH IN COMMUNITIES

Lack of access to accurate CSE information in some local areas

Aim to promote SRH by fostering open dialogues with community leaders like the Sangguniang Kabataan and Barangay Officials

Focus on empowering youth to make informed decisions about SRH

# EMPOWERING YOUTH THROUGH CSE

**Provide age-appropriate CSE to both in-school and out-of-school youth**

**Collaborate with local government units to normalize SRH discussions and expand CSE**

**Promote informed decision-making among the youth regarding their sexual and reproductive health.**

# STRATEGIC IMPLEMENTATION AND COLLABORATION

- Coordination letters sent to Barangay Captains and SK Chairpersons
- Collaboration with SK and Barangay Councils, integrating CSE in youth events like Linggo ng Kabataan
- Interactive activities (e.g., games) to engage young people (aged 15-30)

# IMPACT AND REACH OF THE PROGRAM

**39 BRGYS**

**Community Involvement**

reaching 520 youth for the last 2 years (2022)

**100%**

**Youth Involvement**

50 of our youth volunteers are product of CSE in community. Also, 30 of them were engaged to the program

**PRE- AND POST-TESTS**

**PROGRAMS SUSTAINABILITY**

- Pre- and post-tests showed improved SRH knowledge and attitudes.
- Positive feedback and strong volunteer interest ensure the program's sustainability

# CREATING A LASTING IMPACT

**Positive community response, but some areas still need awareness**

**More partnerships needed with other youth organizations and government agencies**

**The program encourages youth visits to FPOP's youth-friendly facilities for safe SRH services**
